

Danvers Village Council
105 S. Broadway
Danvers, IL 61732

Dear President Roth and Danvers Village Council Members,

As a current resident of Danvers, I would like to encourage you to consider changing the current Danvers ordinance on burning leaves. I believe that clean air is vital for the health of my family and my town. I would be happy to see changes made that will allow the air to remain clean and free of burning leaves. I would very much support a change for the better.

(please enter further concerns or ideas here):

Thank you for your time.

Sincerely,

_____ (name)

_____ (address)

_____ (email or phone)
